[illegible]

A stylized, colorful illustration of a city skyline. The scene is viewed from a low angle, looking up at the buildings. The sky is a deep, dark blue. In the foreground, a river flows from the bottom left towards the center. A bridge with a green arch spans the river. On the left bank, there are several buildings, including a tall, thin tower and a large, multi-story building. On the right bank, there are more buildings, including a large, multi-story building with a red roof and a smaller building with a blue roof. The buildings are rendered in a simplified, blocky style with various colors like green, yellow, red, and blue. The overall style is reminiscent of a children's book illustration or a stylized map.

Map showing the distribution of land parcels (TAHAP 1, TAHAP 2, TAHAP 3, TAHAP 4) and their respective areas (Ha). The total area is 400 Ha. The map includes a scale bar (0 to 100 meters) and a north arrow.

Tahap	Area (Ha)
TAHAP 1	110
TAHAP 2	40
TAHAP 3	80
TAHAP 4	40

A satellite map showing a 7.3 ha plot outlined in white. The plot is rectangular and divided into several smaller rectangular sections, possibly for agricultural or experimental use. The surrounding landscape is a mix of green fields, some with trees, and a road or path runs along the bottom edge of the plot. The map interface includes a search bar at the top left, a scale bar at the bottom left, and a compass at the bottom right.
